PROGRAM DESCRIPTIONS

Informational text messages. If you request services or products from us, we may ask you to provide your phone number and consent to receive informational text messages. These messages may include alerts such as notifications about office closure. Informational messages are not advertising or marketing, but instead are part of our account notification and customer care process. You can opt out of this Program at any time. Just reply STOP. Once you reply STOP to us, we will send a message to confirm that you have been unsubscribed. After this, you will no longer receive informational messages from us.

Marketing text messages. If you opt in to receive marketing text messages, you may receive promotions or offers about our products and services. You may opt out of receiving these text messages at any time by replying STOP to a promotional text message sent by us. Once you reply STOP, we will send a message to confirm that you have been unsubscribed. After this, you will no longer receive marketing messages from us.

Message frequency will vary. Message and data rates may apply. Carriers are not liable for delayed or undelivered messages.

If you want to opt in to our messaging Programs again, you may sign up as you did the first time, and we will start sending informational and marketing messages to you again. If you are experiencing issues with the programs, you can reply with the word HELP for more assistance, or you can get help directly at info@stonebridgefg.com.

Text message opt-in data and consent are not shared with any third parties (including subsidiaries and affiliates) except for service providers. We do not share phone numbers with third parties or affiliated entities for marketing or promotional purposes.
